Gentlemen:

Forwarded herewith is data constituting a claim for damages, in the amount of \$87.15, in favor of the Government, which this Agency has been unable to collect.

The claim arose from an automobile accident occurring about 8:45 a.m., 24 April 1960 at the intersection of 26th and "G" Streets, N.W., Washington, D. C. An Agency vehicle driven by [redacted] was proceeding south on 26th Street, N.W., at the intersection of 26th and "G" Streets, N.W., when it collided with a privately-owned vehicle, 1941 Ford Sedan, Maryland Tag No. 655-338, which was proceeding east on "G" Street at said intersection causing damage to both vehicles. The privately-owned vehicle is the property of Mrs. Alice Mary Schrijver, [redacted] Maryland. At time of the accident, the vehicle was operated by her son Marius Roos. Exhibits numbered "1" through "10", containing further information and supporting data, are attached for your consideration.

It is felt that the damage to the Government vehicle resulted from the negligence on the part of Mr. Roos, but repeated demands on the insurer, the American Mutual Liability Insurance Company, 704 Seventeenth Street, N. W., Washington, D. C., have failed to produce an offer of settlement.

The file is submitted herewith for settlement. Should you desire further information, kindly advise.

Very truly yours,
